PAUL ALTIERI

Principal
Chief Financial Officer

Responsibilities:

Paul has overall responsibility for all accounting and reporting for the Greenfield funds and oversees all financial and administrative matters of Greenfield Partners, LLC and its related entities.

Professional Experience:

Prior to joining Greenfield, Paul was Vice President of Greystone Realty Corporation where he directed a staff of 10 professionals responsible for the accounting, reporting and asset management oversight of $1.6 billion of equity real estate investments. He also played key roles in transaction and portfolio management, and had oversight responsibility for the Starwood Asset Management assignment.

Before joining Greystone, Paul was Controller of The Petrucci Companies – a diversified real estate development group. He was also an Audit Supervisor with Peat, Marwick, Mitchell and Co.

Education:

BS, City University
of New York, Lehman College
Certified Public Accountant
